## WYOMING

- USGS INDICES
- General Well Information
- Geologic Map of Wyoming, 1955.
- Hydrologic Unit Map of 1974
- Map Showing Steamflow Volumes in NE WY and SE MT, 1974.
- Base Map of WY, 1972
- Base Map of WY, 1967
- Maps Showing Formation Temperatures and Configurations of the tops of the Minnelusa Formation and the Madison Limestone
- State of WY Temperature Gradients During Electrical Logging Conditions for Wells 5,000 to 10,000 Feet Deep. 1976
- Energy Resource Map of Wyoming
- Energy Resource Map of the Powder River Basin, WY. 1973.
- Map Showing Configuration and Thickness and Potentiometric Surface and Water Quality in Madison Group, Powder River Basin, WY and MT
- Geologic Map of the De Pass Quad, Fremont and Hot Springs Counties, WY. 1980.
- Base Map of Wyoming, 1967.
- Restored Stratigraphic Cross Sections and Coal Correlations in the Tongue River Member of the Fort Union Formation, Powder River Area, WY
- Geology of the East Thermopolis Area, Hot Springs and Washakie Counties, WY. 1963
- Stratigraphic Sections and Thickness Maps of Jurassic Rocks, Central WY
- Water Resources of the Bighorn Basin, NW WY. 1976
- Lithofacies and Lomonite Distribution, Wasatch Formation in Southern Powder River Basin, WY. 1980
- Land Status Maps of the State of Wyoming. 1980
- USGS OFR-78-930. Pearson, R. C., 1978, Map Showing Appraisal of Mineral Resources Potential of RARE II Roadless Areas in National Forests, WY.
- Water Resources of the Powder River Basin and Adjacent Areas, NE WY. 1973
- Bouguer Gravity Anomaly Map of Southwestern Wyoming, Northeastern Utah, and Northwestern Colorado. Bankey, V. and Merewether, E. A., 1990.
- General Well Information:
  - Lincoln Co.
  - Park Co.
  - Sublette Co.
