\*Data bases commercially available on-line exclusively through the SDC Search Service.

\*Computer-connect time is rounded to the next hundredth of an hour. Printing charge includes postage and handling for domestic users. Overseas users pay actual postage costs, in addition. Use of communications networks is optional. Domestic rate for Tymshare and Telenet communications is \$8/connect hour. Overseas users pay \$22/hour for transatlantic Tymshare link.

Effective January 1, 1977, a discount will be given automatically to subscribing organizations that use more than 4.99 connect hours per month. This volume discount increases incrementally with each hour of use and will be computed against total billable connect hours on the monthly invoice. Copies of the discount schedule are available separately from SDC.
