#2 (etc) — ESL library

UN symp

Silberman, M.L. (1973) K-Ar Tert. ign. H₂O + hydrothl
Au + Ag in central + western Nev (abstr)
cord 69th GSA vols #1 p106. ~~ask~~ ~~ask~~ ~~ask~~

Martin (1974): Chem comp. + temp hot spgs
in N. Nev + central. USGS # 66 (IL/MF)

Deb -
I came across these articles
while doing the reference search
for Nevada.

Silberman's ~~article~~ abstract
should be in Bruce's top drawer
of his file cabinet, possibly
under geochem.
