

GEOHERMAL BRANCH

INTER-OFFICE MEMORANDUM

SUBJECT: McCoy 1981 Shallow ΔT Holes

DATE: March 2, 1981

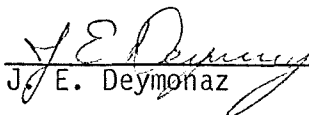

TO: W. E. Merrill, H. D. Pilkington ✓

FROM: J. E. Deymonaz

On February 23, 1981, Mark Avery and I flagged six shallow ΔT sites in Lander County, Nevada. Niel Brecheisen, District Geologist from the Battle Mtn. BLM office, completed an archeological inspection of the sites.

On February 24, 1981, Mark Avery and I flagged five shallow ΔT sites in Churchill County, Nevada. Don Jacquet, District Geologist from the Carson City BLM office, completed an archeological inspection of the sites.

Most of the sites were moved slightly from the drafted NOI base map locations. A summary of the changes is attached.
