

GEOHERMAL BRANCH

December 19, 1979

Mr. Bernie Moroz
District Geothermal Supervisor
U. S. Geological Survey
4600 Kietzke Lane
Building D, Suite 137
Reno, Nevada 80502

Dear Mr. Moroz:

With regard to the McCoy Unit, please find enclosed, in triplicate, "Sundry Notices and Reports on Wells", concerning AMAX Exploration Inc.'s amended drilling program on Hole 66-8.

Thank you for your assistance in amending AMAX Exploration Inc.'s approved Plan of Operations. If I can be of further assistance, please do not hesitate to call.

Sincerely,

Wendy E Merrill
