Re: Fish Lake Unit Well No. 81-14 (Temperature Log); McCoy
Unit Well No. 28-18 (Lithologic Log); and Alum Unit
Well Nos. 24-33 and 56-29 (Lithologic Logs).

Dear Mr. Moroz:

The following items are submitted in duplicate in conjunction with Geothermal Well Completion Reports which were submitted for the subject wells on August 19, 1982:

1. Temperature - depth log for well No. 81-14 (Fish Lake Unit);
2. Lithologic log for well No. 28-18 (McCoy Unit); and
3. Lithologic logs for well Nos. 24-33 and 56-29 (Alum Unit).

Very truly yours,

Joyce L. Emerson
Manager of Government Relations
