

INTER-OFFICE MEMORANDUM

SUBJECT: Oil Well Information - Deeth Area, Nevada

DATE: March 23, 1981

cc: A. L. Lange

TO: J. E. Deymonaz

FROM: H. D. Pilkington

Several wildcat petroleum wells have been drilled in the general Deeth area of Nevada. I have not attempted to collect complete information on any of the wells; however, you should have the following data for your files:

1. Pete Itcanian #1 Gulf Oil
Sec 3 T37N R59E
Spud 29/4/54
Complete 10/6/54
TD 5,465 feet
BHT 178°F

0-3,510 feet Humboldt Fm.
3,510-TD Paleozoics
2. Mary's River Federal #1 Gulf Oil
NWNE Sec16 T41N R60E
Spud 12/11/54
Complete 25/1/55
TD 6,612 feet

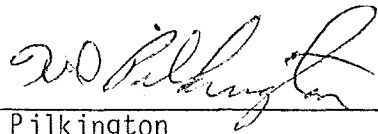

0-95 alluvium
95-6,475 Humboldt Fm.
6,475-6,6123 Kinikinic Fm. Ordocian
3. Mary's River Federal #1 Shell Oil
NWSE Sec 30 T38N R61E
Spud ?
Completed 1978
TD 12,125 feet
