

GEOHERMAL BRANCH**INTER-OFFICE MEMORANDUM**

SUBJECT: Deeth 1981 Drilling Program

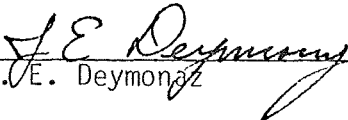

DATE: March 23, 1981

TO: W. E. Merrill, H. D. Pilkington ✓

FROM: J. E. Deymonaz

On March 19, 1981 I conducted a tour of proposed shallow and intermediate drill sites with Steve Brooks (Elko BLM office), Doug Koza (Reno USGS office) and D. G. Weder (AERC Salt Lake City).

Sites 1030-40, 46 and 47 were not inspected and will not be drilled due to access and other problems.
