Dear Sir;

Recorded your confirmation letter,

We are perparing for a March 10th. to 17th. starting date.
You mention an advance payment in a call my wife excepted.
If an advance is possiable, and we could get a two weeks or
100 hour advance, then a monthly payment would be fine, as
it will help the bookeeping end and our cash flow.

Also we would like to work most of the day light hours 10
or 12 hours shift; if this is possiable please advise.

Sincerely.

Peber E. ST. George
