

INTER-OFFICE MEMORANDUM

SUBJECT: AMAX No. 1 Livermore Well Data
Napa County, California

DATE December 21, 1978

TO: Files

cc: J. E. Deymonaz
W. M. Dolan ✓
R. Edmiston, Anadarko
R. Sellers, LL&E

FROM: H. J. Olson

As of December 21, 1978, AMAX has the well data on the attached inventory sheet in the Geothermal Group files.

In addition a complete data set including one sepia and one blue-line print is in reserve for trade to Thermogenics Inc., for data from their well K-1A in Lake County, California, early in January 1979.
