Dear Dave:

Please make conductivity measurements on the 28 drill cutting samples included as soon as possible. Samples were taken at 100' intervals from hole 620-65 and are listed below:

100	1100	2110
200	1200	2200
300	1300	2300
400	1400	2400
500	1500	2500
600	1600	2600
700	1700	2700
800	1800	2800
900	1900	
1000	2000	

Thank you,

*Chris Tower*
