

INTER-OFFICE MEMORANDUM

SUBJECT: Three Deep Thermal Gradient Holes,
Thermo-Black Mountain Area, Utah

DATE March 6, 1978

TO: Larry Hall

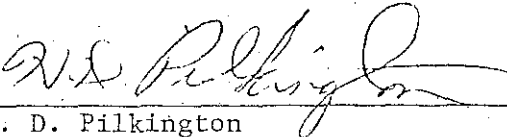

cc: J. E. Deymonaz
H. J. Olson
W. M. Dolan

FROM: H. D. Pilkington

Please begin the permitting procedure for three 610 meter gradient holes in the following locations:

<u>Project #</u>	<u>Location</u>	<u>Land Status</u>
755-40	SENE S34 T30S R11W	BLM, Thermex U-30354
755-41	SENW S35 T30S R11W	BLM, Thermex U-30355
755-42	SWNW S34 T30S R11W	BLM, Thermex U-30354

It is anticipated that holes 755-41 and 755-42 will be drilled to depths of 300 meters; however, for permit apply for 610 m depths.
